CG Docket Nos. 13-24 and 03-123

I am writing to express my concern about a recent change to captioned telephone service that requires my phone to be in the "captions off" mode at the beginning of every call. As someone who depends on captioning in order to communicate with others over the telephone, this is extremely inconvenient.

I have significant hearing impairment and hearing over the telephone is particularly difficult for me. Captioned telephone service makes an enormous difference in my life. With captioning, I can stay in touch with my family and friends and easily conduct business over the phone. I know that in an emergency I will be able to get the help I need. There is no one else in my home who uses my captioning telephone without needing it, so forcing me to begin every call with captioning in the "off" setting is unwarranted. I now must take extra steps in order to have a phone conversation similar to anyone without difficulty hearing on the phone.

I hope that the FCC will reconsider this change based on the needs of people like me.

Sincerely,

MARY JANE CLARK

How is it possible for anything so perverted be allowed

CHANNEL SURFING

Here's What You'll See More Of — IF THE FCC GETS ITS WAY!

American Dad

Fox (Sundays, 9:30 p.m. ET)

.....
Fox's Sunday-night cartoon *American Dad* is always disgusting; but the Sunday, April 14 episode hit a new low in shoving utterly inappropriate content over the publicly-owned airwaves and into every living room in America. Due to the fact that the program is a cartoon and airs in prime time, millions of children are exposed to this perverted show. Here's an example of the kind of thing viewers can expect a lot more of, if the FCC is allowed to adopt its new rules on fining only "egregious" programming:

Wife Francine wants to spice things up in the bedroom with her square husband, Stan. (Yes, that is the **ENTIRE PLOT** of a half-hour cartoon aimed at kids, and which Fox rates appropriate for 14 year olds).

Down at the bar, Stan commiserates with his friend Roger, who advises him to "find his kink." A huge musical number follows, with Roger singing:

"You're buttoned up and crude/not an ounce of you is crude.

And your tendencies in bed leave women snoring.

But if you look deep down inside/and put aside your foolish pride,

there are fantasies and holes that need exploring.

Close your eyes and picture Francine as a French maid.

Instead of wearing that same dress that's sort of mink.

Sure, you'd rather be on top/and give three quick (bleeped) and stop,

but I know deep down inside you've got a kink."

Chorus:

"You've got a kink!

You've got a kink!

Don't be afraid to put a finger in the stink.

Though I know you might be shy,

Let me know you things to try.

'Cause like everyone you know, you've got a kink."

Roger escorts him into a dungeon, where the following sexual practices are shown:

■ The high school principal Lewis is shown, wearing only a thong. Flanking him are a pair of women in bikini-style lingerie. One wears a dog

collar and holds a chain.

■ Toshi's father wears panties and fishnet stockings. He flogs his wife, who hangs from the ceiling with chains around her wrists. She is pulled into a torture position, her spine bent backwards and her feet are chained to the wall.

■ A naked man, his wrists bound and a lampshade on his head, stands facing a wall. A woman straddles another man wearing a Gumby-style wetsuit.

■ An elderly man is shown naked but for panties, bound spread-eagled to a large wooden "X." A masked dominatrix stands beside him. Lewis spins the "X" in like a wheel of fortune. Roger swings by on a trapeze. A naked man, wearing only underwear, hangs upside-down from the ceiling.

■ Stan ties a noose around his neck and holds it up, as if to strangle himself.

■ Stan swings on the trapeze, wearing a bondage outfit and garters. Below, as part of the orgy, are seen clowns, nurses, dominatrices, and various farm animals. Roger wears a Nazi SS uniform.

HERE'S WHAT YOU CAN DO:

Go to **page 3** and **FILE A PUBLIC COMMENT WITH THE FCC**. Make sure the government still considers this kind of programming indecent!
